The mission of Operation Christmas Child is to demonstrate
God's love in a tangible way to children in need around the
world. Through the shoe box project, Samaritan's Purse part-
ners with the local church worldwide to share the Good News
of Jesus Christ and make disciples of the nations. Join them
in this mission by packing a shoe box for a boy or girl. Shoe
boxes and instructions are available at the front of the
church. Boxes will be going to regions of the Philippines, Cen-

Sermon Notes

Family Responsibilities - 1 Thessalonians 5:14-15 - Series: 1 Thessalonians - #24

1. Each one who has been born again of the Spirit has _____ within the family of God.
2. These responsibilities include warning those who are _____.
3. This was a word used to describe a _____ who was unruly or divisive, who did their own thing without regard for those around them, or for the mission they had been given.
4. Some of the Thessalonians may have quit their jobs, or stopped _____ to the life of the church, because they believed that Jesus' return would happen at any moment.
5. Getting wrapped up in the busyness of each day may cause us to lose sight of the _____ for which God has called and redeemed us.
6. We grow idle, and we find ourselves out of step with God's people, when our thinking about things like who God is, who we are in Christ, and our relationships and responsibilities to one another, become _____.
7. When we come to faith in Jesus, we find we are called to a new way of _____.
8. Much of how we once lived is no longer _____ for those who are now in Christ because it does not glorify, reveal, reflect, or point others towards, God.
9. The new way of life we are taught in the Scriptures helps us to fulfill the two greatest commandments - to love _____ and to love our _____.
10. Our lives are to be _____ by God's word and enabled by the Holy Spirit who dwells within us.
11. Paul makes it clear, that those who are _____ to work to support themselves, are to be left to go hungry.
12. This principle does not rule out helping those who are willing, but _____, to provide for themselves, and who find themselves in genuine need.
13. In the hopes of bringing them to _____, we are not to associate with those who are able, but unwilling to work, and who are living off the generosity of others.
14. Warning one another as Paul instructs us to here is not to take place out of a sense of moral or spiritual superiority but rather out of a genuine _____ for our brothers and sisters in Christ.
15. As we warn some one, we are earnestly urging them, pleading with them, encouraging them, to fully _____ this new way of living that we have been called to, and which God has made possible.

For Further Study:

1. Read Ephesians 4:17-32 and Ephesians 5:1-20 and make a note of the differences between the pattern of living we find in the world around us and that which we are called to in Christ.
2. Consider how your life measures up with this new pattern of living we have been given.
3. Where do you need to grow? Are there attitudes or behaviours or beliefs that you need to change in order to bring your life into alignment with the new life you have received? Is there some area in your life that someone could rightfully be warning you of your need to keep in step with the Holy Spirit?
