Sermon Notes

Babylon and the Beast - Revelation 17 - Series: Last Things - #17

1. Babylon was founded by Nimrod, one of Noah's descendants, whose name means, "_____." The Babylonians rebelled against God and sought to worship, on their own terms, gods of their own making.
2. Babylon becomes a picture of all peoples and nations, throughout all time, who _____ God and who have sought to _____, or even wipe out, His faithful followers.
3. Babylon will be rebuilt and will, for a time during the first half of the Tribulation, become the center of a false _____ system which seduces the world.
4. This religious system will likely be _____ in nature and will esteem the virtues of tolerance and love. Such tolerance and love will only extend to those who agree with and support the false system of religion.
5. To proclaim Jesus as the only way, the only truth, and the only life, will be to invite condemnation and _____ from this world system of belief.
6. Babylon the Great will be representative of both a religious, and an _____ / political system, which is at odds with God.
7. Religiously, this false belief system will have both a global _____ and a global _____.
8. In the aftermath of the _____, it will help unite the peoples of the world, promising hope, and a better future ahead.
9. And yet it will be completely unfaithful to the God who has revealed Himself to us through His _____, His word, and through the person of _____.
10. Seen from John's time in the first century AD, there had been five world powers that had arisen, and which _____ God's chosen people: Egypt, Assyria, Babylon, the Medes and Persians, and then the Greeks (the Seleucid Empire).
11. The sixth world power to oppress God's people, and the one still ruling in John's day, was the _____.
12. The seventh world power will be a _____ of ten nations from which the antichrist will eventually emerge and establish a one world government.
13. Though believing they will be serving themselves, and the antichrist, by giving him their power and authority, they will be moved to do so by God in order that His purposes be accomplished. God is truly _____ over all creation.
14. The antichrist will eventually turn upon, and utterly annihilate, the false system of religion that will have risen to prominence in that day. He will set himself up as God and demand the world's _____.
15. These things usher in the 2nd half of the Tribulation, known as "The Great Tribulation," or "The Time of _____," and will occur just 3 ½ years before the Second Coming.
